CONTENT The Sanskrit word "Karuna" designates any action that reduces the suffering of others and can be translated as "Compassion".
Reiki Karuna® is considered to be the next step in the Usui Reiki Mastery and uses energy from a boundless ocean of Love and Compassion.
Holy Fire® World Peace dissolves more deeply fears and anxiety rooted in our cells, caused by various worldwide events and conflicts. It strengthens both our capacity to help bringing peace to the world - particularly by sending remote Reiki - and our connection with Gaia, our Mother Earth, with an increased consciousness level.
